

## NOW HIRING: PEDIATRIC OCCUPATIONAL THERAPIST

**Pay:** \$43.00 - \$52.00 per hour

### **Job description:**

Come join our team of knowledgeable and passionate therapists in the beautiful city of Portland! We are a small collaborative clinic that loves to support the new ideas and passions of our therapists, and to play in our large thoughtfully designed sensory gym spaces.

Located in the heart of Portland, Whole Circle Pediatric Therapy specializes in treatment for sensory processing, regulation, motor, executive function disorders, and feeding/picky eating. We currently offer occupational and speech therapy, and plan to expand to include additional services such as mental health and literacy.

We are committed to paying employees appropriately for all their expertise in patient care and providing paid time for therapists to continue to learn and grow. We are looking for someone who is passionate about pediatrics, embraces teamwork, and wants to grow and learn in their profession.

Whole Circle Pediatric Therapy believes improving the lives of children and families can only be achieved when our employees also have opportunities to create a positive life-work balance and are supported in the work they do. We are looking for an occupational therapist who is passionate about and inspired by this ideal. We want an occupational therapist to help us create a clinic where children and families feel empowered, where play and education come together seamlessly, and where employees are encouraged to think outside of the box as well as explore and share their own professional interests.

Benefits of working with Whole Circle Pediatric Therapy:

- Therapist owned clinic - owners who still treat and supervise!
- **Full time (30 scheduled treatments sessions/week).** Provide family directed services to children and teens.
- **Paid hourly with built in paperwork time (not pay per patient model!)**
- Beautiful, light, spacious specialty clinic spaces with quality tools and equipment!
- No self-scheduling
- Health benefits including vision and dental
- Paid vacation time & paid sick time
- 7 paid holidays annually
- Performance based bonus opportunities every pay period!

- Retirement plan with 3% match
- Continuing education benefit of \$500/year
- Therapists compensated for all time in clinic (patient care, paperwork, planning, communication, mentorship)
- \$43 - \$52 / hour depending on experience

Our employees Describe Our Workplace Culture As:

- Family oriented where quality patient and family care always come first
- Fun, supportive, collaborative!
- Opportunities for pursuing and exploring personal professional interests
- Opportunities for creating and developing programs

Duties:

- Develop treatment plans and goals that are individualized to meet each child's needs and based on child/family needs
- Involving parents in treatment sessions for parent coaching and home programming implementation
- Correspond with child's teacher, other therapists, and doctors as needed to ensure collaboration of care
- Mentor and collaborate with other therapists and occupational therapy fieldwork students as needed

Requirements:

- **Bachelor's Degree or higher in occupational therapy**
- Eligibility for or possession of current Oregon license
- **One - two years' experience preferred**
- Current CPR or ability to obtain
- Must pass a criminal history background check

Skills Needed:

- Must be playful and creative to engage children in therapy sessions that are child led
- Ability to communicate and connect to both children AND family members
- Excellent verbal and written communication skills
- Ability to multitask
- Utilization of a strength-based approach to working with individuals

- Time management skills
- Acceptance of client and staff diversity
- Ability to work as a part of a small team with flexibility to adapt to the needs of the clinic
- Strict adherence to HIPAA policies and procedures

#### Physical Job Demands:

- Must be able to perform physically demanding activities in gym spaces that involve setting up and taking down suspended equipment. While working with children, employees will frequently need to perform therapy on mats and may be on their knees or sitting on the floor. Must be able to physically assist children as needed for part of their treatment plan with climbing and other physically active skills during scheduled working hours.
